

Solution Partner Certificate

Control - Service Sp. z o.o.

Poland

The company is a certified Partner and is authorized to use the name Siemens Solution Partner – Automation Drives. The certification has been proved in the following Portfolio Module:

Process Control System PCS 7

Solution Partners in this program module stand out for their specialist know-how of Siemens SIMATIC Process Control Systems PCS 7 with a focus on the process industry.

The process control system is the key component in automated process plants, e.g., in the chemical or the pharmaceutical industry. Siemens works closely with its Solution Partners to ensure that the technology is optimally tailored to the customer requirements.

This confirmation is valid until October 2025
